Dear Mr. Douglass:

On July 3, 2008, ISO New England Inc. (ISO-NE) and the New England Power Pool Participants Committee (collectively, the "Filing Parties") filed the referenced tariff sheets to implement protocols so that day-ahead self-schedule offers that cannot be delivered in real-time because of transmission limit violations will not be scheduled. Pursuant to the authority delegated to the Director, Division of Tariffs and Market Development-East under 18 C.F.R. § 375.307, your submittal in the above referenced docket is accepted for filing, effective September 4, 2008, as requested.

Notice of the filing was published in the Federal Register, with comments, protests and interventions due on or before July 24, 2008. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This acceptance for filing shall not be construed as constituting approval of any service, rate, charge, classification, or any rule, regulation, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against the Filing Parties.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Larry D. Gasteiger, Director
Division of Tariffs & Market
Development – East
