Reference: MEPCO Grandfathered Transmission Service Agreements

Dear Mr. Mahoney:

On December 13, 2007, pursuant to Rule 1907 of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission and in compliance with the Letter Order issued October 31, 2007 in the proceeding referenced above, you submitted a revised Attachment H of the ISO New England Open Access Transmission Tariff. The filing is conditionally accepted, subject to modification pursuant to the outcome of the proceeding in Docket ER07-1289 *et al.*

This action is taken pursuant to the authority delegated to the Director, Division of Tariffs and Market Development - East, under 18 C.F.R. § 375.307.

This acceptance for filing shall not be construed as constituting approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against your company.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.
